The readers of this paper will be
pleased to learn that there is at least one
dreaded disease that science has been
able to cure in all its stages, and that is
Catarrh. Hall's Catarrh Cure is the only
positive cure now known to the medical
profession. Catarrh being a constitutional
disease, requires a constitutional treat-
ment. Hall's Catarrh Cure is taken inter-
nally, acting directly upon the blood
and mucous surfaces of the system, there-
by destroying the foundation of the dis-
ease, and giving the patient strength by
building up the constitution and assisting
nature in doing its work. The proprietors
have so much faith in its curative pow-
ers that they offer One Hundred Dollars
for any case that it fails to cure. Send
for list of testimonials.

For a Sore Throat.
A cleansing gargle for the throat
when suffering from tonsillitis or an
attack of quinsy can be prepared from
bicarbonate of soda. Dissolve a heap-
ing teaspoonful of bicarbonate of soda
in a coffee cup of boiling water and
add to this two drops of the essence
of peppermint. Use the gargle while
it is quite hot—not enough to burn
the throat. Repeat the treatment ev-
ery four hours. Do not go out of doors
after using a gargle, as there is danger
of aggravating the condition in the
throat.

THE FAULT FINDER

An irritator, fault finding disposi-
tion is nearly always caused by indig-
estion. A man with good digestion
and bowels that act regularly is usual-
ly good natured. When troubled with
indigestion or constipation take Chan-
berlain's Tablets. They strengthen
the stomach and enable it to perform
its functions naturally. They also
regulate the bowels. Obtainable
everywhere.—Adv. d&v
